*Dusk View Of The Clubhouse
From ORR Service Road*

The best dressed clubhouse you'll ever meet.

The clubhouse facade is born of the same design concept as the main towers, configured over 7 levels, including a terrace. Surrounded by planned greenery and outdoor amenities, the clubhouse entry is decked with tranquil water features that help you disconnect from hustle-bustle of the outside world.

The bronze tinted metal sequenced panels create a glimmering and rhythmic movement pattern. Glass panels spanning across 4 floors create a stunning view and allow great amounts of natural light to dawn the scene, making the clubhouse feel both plush and peaceful in the same breath.
